

Directions to Cap Cana Mar y Sol

From the Punta Cana Internacional Airport, you head towards Bavaro making a right onto the new highway. Travel for ½ of a mile and you will reach a circle. Take that circle three quarters round (make a left) and this road takes you directly to Cap Cana, the Worlds next great destination and my dream home.

Once you get to the main entrance you will be asked to check in, security is tight. Ask the guard how to get to the marina, particularly AQUA MARINA CONDOMINIUMS.

Welcome.....
