

Mar y Sol – Property Managers

Meet Gladys Melendez and Jose Rijo, husband and wife, our property managers. They have lived in Bavaro now for since 1994 also live on the same street, Paseo del Sol, as our rentals. They are the most responsible and sweetest families I have met in Bavaro. Sometimes you will have the pleasure of meeting their children Hiedy, Jose Jr and Edward.

You can reach them and ask them whatever you would like, to make your stay a wonderful experience.
